

# THINK YOUR 5TH GEN IS MAKING SOME STEAM?

## THEN THIS IS YOUR NEW FUEL SYSTEM!

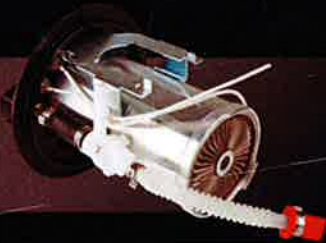

### 1400 HP IN YOUR FACTORY TANK!

EFI Forced Air Induction

### 2010+ CAMARO STEALTH SYSTEM

A single fuel pump that drops right into your 5th Gen factory tank. Big power with no cutting or drilling. Use the factory siphon system and fuel level sending unit. No need for multiple pumps or expensive hanger assemblies. 500 hp to 2300 hp, your factory tank's stock just went up... way up! A1000 (#18673) or Eliminator (#18674) Pump options available.

Includes integrated  
100-micron pre- filter.
